

Eligibility:

1. Applicants must currently reside in Canada.
2. Applicants must be enrolled in an undergraduate or postgraduate program at an accredited Canadian university or college.

Essay Requirements:

1. Applicants must submit an original response to the topic: "How does your home environment affect your ability to study, focus, or manage stress?"
2. The response must be between 300 and 500 words.
3. The response should reflect the applicant's own experiences and ideas.
4. Academic research, references, and citations are not required.

Submission Details:

1. Applicants must submit their full name, email address, college or university, and essay response.
2. Applications must be emailed to awards@hellamaid.com.
3. Applicants should use the subject line: Hellamaid Scholarship Application – [Full Name].
4. Entries may only be submitted once.

Selection Criteria:

Entries will be judged based on:

1. Thoughtfulness
2. Originality
3. Relevance to the topic
4. Clear expression of ideas

General Rules:

1. Submissions must be the applicant's own original work.
2. Copied, plagiarized, or substantially reproduced submissions may be disqualified.
3. Hellamaid may request confirmation of enrollment from a selected recipient before the scholarship is awarded.
4. Information submitted will be used only to administer the Hellamaid Scholarship.
5. Applicants should not submit government identification, financial information, health records, or other sensitive personal information.

Scholarship Selection:

Selected recipients will be contacted directly. Due to the number of applications received, Hellamaid cannot provide individual application status updates.

Thank you for your interest.
